

# THE RULE OF 3'S

Remove the bandage in **3** hours.

Wash your tattoo **3** times a day,

for the next **3** days!!

# AFTERCARE INSTRUCTIONS:

**ALWAYS WASH YOUR HANDS PRIOR TO CLEANING/TOUCHING YOUR TATTOO.**

**REMOVE THE BANDAGE WITHIN 3 HOURS OF RECEIVING YOUR NEW INK.**

**WITH THE ANTIBACTERIAL SOAP PROVIDED, USE YOUR "CLEAN HANDS" OR A DAMP PAPER TOWEL TO "GENTLY" WASH THE TATTOO WITH WARM WATER.**

**LET THE SOAPY SUDS SIT ON YOUR TATTOO FOR UP TO 3 MINUTES, THIS WILL OPEN UP YOUR PORES AND CLEAN YOUR TATTOO, THEN RINSE WITH COOL WATER TO CLOSE UP YOUR PORES, THIS WILL PREVENT ANY GERMS OR BACTERIA FROM ENTERING YOUR TATTOO DURING THE HEALING PROCESS.**

**AFTER RINSE: LET YOUR TATTOO BREATHE SOME FRESH AIR FOR UP TO 3 MINUTES BEFORE APPLYING A "VERY SMALL" AMOUNT OF THE PROVIDED OINTMENT TO YOUR TATTOO. RUB IT IN UNTIL THERE IS ONLY A "LIGHT SHEEN" LEFT ON YOUR SKIN.**

**REPEAT THIS PROCESS 3 TIMES A DAY FOR THE NEXT 3 DAYS!**

**IF YOU START TO NOTICE ANY IRRITATION OR PIMPLES APPEAR AROUND YOUR TATTOO...THIS IS A SIGN OF USING "TOO MUCH" OINTMENT. IF THIS OCCURS, SIMPLY "STOP APPLYING OINTMENT". JUST CONTINUE TO WASH YOUR TATTOO WITH THE ANTIBACTERIAL SOAP FOR THE REMAINING DAYS LEADING UP TO DAY #4.**

**ON THE 4TH DAY: DISREGARD THE RULE OF 3'S AND SWITCH TO A NORMAL "UNSCENTED" OR "FRAGRANCE FREE" LOTION AND APPLY FOR UP TO 3 WEEKS!**

**WARNING! YOUR TATTOO WILL BEGIN TO PEEL! DO NOT "SCRATCH" OR "PICK" THE SKIN FROM YOUR TATTOO! THIS COULD DAMAGE THE INK IN THE DESIGN! JUST SIMPLY APPLY LOTION AND GENTLY PAT YOUR TATTOO WITH YOUR FINGERTIPS WHENEVER YOUR TATTOO FEELS DRY OR ITCHY FOR THE NEXT 2-3 WEEKS.**

**HAPPY HEALINGS! AND ENJOY SHOWING OFF YOUR NEW INK!**
